Our on-campus boarding residence for high school students brings a unique flavor to the school. With international exchange students from several countries plus a mix of students from across the US, the boarding students bring their worldly perspectives to our small town in Central Oregon.

**The mission statement of the Mitchell School District is to empower students as effective problem solvers, lifelong learners and productive members in a global society.**

### Study Opportunities

Although we are a small school we strive to offer our students a variety of subjects in the classroom as well as online. We also offer the opportunity for our pupils to earn college credits.

### Boarding Residence

Mitchell High School offers a unique residential living program for students in grades 9-12. The comfortable, cozy, boarding residence is located adjacent to the school. It accommodates twenty students and features:

- Full supervision by resident houseparent
- Separate wings for boys and girls
- Five dorm rooms with bunk beds
- Full kitchen with home-cooked meals
- High-speed internet access
- Central living area with tv
- Laundry facilities
- Weekend outings for shopping and recreation

### Sports Opportunities

Mitchell High School offers volleyball, football, basketball & track. We invite all our students to participate in our sports programs. Our teams are all inclusive.

### Community Experiences

Our boarding students typically also have opportunities to participate in our local festival, visit local working ranches, visit our local geological wonder (The Painted Hills) as well as other amazing locations.
